

Funtastic Tales

STORIES, GAMES and DRAMA

Funtastic Tales is all about encouraging children to develop their imagination creatively. It is about nurturing children's own natural ability to create stories and place themselves within them. Through these activities children develop their confidence, social skills and communication abilities. Ultimately, we hope that children will develop an awareness of self-presentation and want to take on the challenge of performance.

At Balcombe School, Funtastic Tales will be running a weekly Drama club for yrs 4-6 on Wednesdays after school 3.15-4.20 and for years 1-3 on Tuesdays 3.15-4.15. All sessions will involve lots of confidence building drama games which are designed to develop children's ability to think, react and move quickly with control. We also do plenty of 'in role' work, developing children's abilities to create characters and situations while working collaboratively. Finally, we will develop their acting skills, performing to the rest of the group and evaluating what makes performances work well. **The lower group have been invited to perform a version of their '3 little Pigs' at Balcombe fete (13th). This will be very simple and involve a few narrators and the rest miming the story. It won't matter if children weren't in it previously, and if they're not available for the fete that's fine as it won't take much rehearsal, we'll still show parents after the club. As long as I know who can and can't. This summer the focus with the upper group will be spontaneous improvisation skills and devising their own performances, we may also do some circus skills.**

'Funtastic Tales' is run by Helen Savage-Butcher who has been a trained Drama teacher (11-18) for many years, having gained a BA, MA and PGCE in the subject. Helen has taught drama in several different secondary schools and run drama departments in two. She has also worked as an actor in touring and fringe, the majority of which was in children's interactive theatre companies. Through 'Funtastic Tales' she runs both birthday parties and storytelling events for infant-junior age children and workshops for secondary age/adults.
