## Starting Balcombe CE Primary School - visit dates

### The best possible start ....

We always look forward to meeting our new children and their families and hope that parents, children and teachers will all work together to achieve the best possible start to school life for every child. Beginning school is a major and exciting event in the life of your child – we can't wait to get started!

We want to be able to give your child maximum attention as he or she visits school for the first time in September. Therefore, we have put all children in smaller teams for the first day of school. Also, in order to settle children in carefully, we plan for part – time schooling for the first two weeks of school.

We hope this calendar helps you to plan for starting school! If you have any questions at all, please do not hesitate to contact us at school on 01444 811403

\*\* Children come to either session 1 or session 2.

Again, these sessions are booked at our 'Welcome Meeting' on June 8th. If parents can't attend on June 8th, we will contact directly to book these in.
