* Governors Attendance at Meetings Academic Year 2024-2025

This information is published in a spirit of openness and transparency but please note that attendance at meetings does not necessarily show the full contribution of each governor. Not all governors are members of all committees so the number of meetings they are expected to attend will vary. However, all governors are welcome to attend any committee meeting. Various governors are also members of sub committees and working parties and will attend additional meetings not recorded here. There are also many other occasions where governors contribute to the school including governor monitoring visits; school events; external training; visits and trips.

Governors who are unable to attend a Local Governing Body or Committee meeting are asked to forward their apologies which are then considered by the meeting; these are recorded within the minutes of the meeting.

** LGB Members Register of Interests 2025-2026

LGB members and school staff have a responsibility to avoid any conflict between their business and personal interests and the affairs and interest of the school. Each year LGB governors complete a declaration of any interest that they, their partner or any relative might have in a business with which the school is likely to do business. They also undertake that in the event of them, their partner, or any relative, or other person known to them acquiring an interest in a business with which the school is likely to do business then they will declare this as soon as they become aware of it. Sometimes it is not always clear in advance and we have the opportunity at each meeting for a declaration of interest to be made which would be recorded in the minutes. The full register is available as a separate document from the clerk to the governors.
