

**What to do if your child feels generally unwell, however is not exhibiting common symptoms of Covid 19.**

Do not bring your child to school.  
(If siblings are feeling well, they should still attend school in line with our usual attendance policy.)

Let us know that your child will not be in at the usual time.

Seek advice from a medical professional and only bring your child to school if advised to do so.

Contact us if your child will not be arriving that day.
