PE

PE days are **Tuesday and Friday**. Please make sure your child comes to school dressed for PE on these days.

Library

Our visit to the school library will be on **Fridays**. Children may borrow one book from the library at a time. We will start visiting the library after the October half term.

The children say…

"Coombe is fun, fun, fun! We have really interesting topics and we love learning outside. We like working hard and we learn lots. Everybody is very friendly and the teachers are kind and helpful. We think Coombe is the best class in the whole wide world!"

Learning Together At Home

Reading

It is important for children to read and talk about books every day. As they become more confident at decoding words encourage them to look out for punctuation and begin to read with expression.

Maths

Login and play Numbots with your child.

Use everyday opportunities for reading *(signs, labels, instructions)*, writing *(labels, letters, lists)* and maths *(counting and ordering numbers, using money, sorting, telling the time, measuring and weighing).*
It's all brilliant learning!

What Is Needed Every Day

- Water bottle
- Book bag
- Wellies (These can be left at school)

Please make sure everything is named.

We provide a healthy snack for your child to enjoy at break time.

Learning Outside

Learning will take place outside as often as possible and children need to be dressed for the weather.
Warm shower proof coats for the cold and hats for sunny days please.

And finally…

If you have any queries, questions or concerns at any time please come and speak to me.
